

**Pacific Medical Centers
Seattle, Washington
Director of Ambulatory Surgery Center**

Organization Highlights:

- Dynamic, locally-controlled, not-for-profit medical network with more than 150 primary and specialty care providers and ten locations.
- Recently named one of the Top 100 Best Places to Work in Washington by Seattle Business Monthly Magazine.
- A market leader in their primary service area committed to creating a new standard of care and service in the industry by redefining the care experience through ultimate collaboration internally, and sincere connected interactions with customers.

Position Details:

Under the direction of the Chief Operating Officer, this newly created Director of Ambulatory Surgery Center provides leadership and management for Ambulatory Surgery Center (ASC) operations. This leader will oversee site selection and development of the ASC, as well as manage all aspects of the ASC operations, including financial management and daily operations. This Director will be responsible for ASC business development and participate in project management activities supporting organizational initiatives resulting in a high-quality and profitable ASC.

Qualifications:

- Ideal candidate will have an MBA or MHA, RN strongly preferred, with an energizing, collaborative leadership style.
- Minimum of five years of experience managing an Ambulatory Surgery Center. For-profit experience highly preferred.
- Experience building or expanding an Ambulatory Surgery Center and business development experience required.

The Greater Seattle area excels in livability, with a mild climate, wide range of housing options, arts and culture, sports, entertainment, an abundance of shops and restaurants, and easy access to outdoor recreational activities.

Thank you for your help and time.
